### **"Burnout – Sports Competition" February 2018**

The first year students of Medical College Baroda organized a sports festival titled "Burnout - Nerves on fire" on 27th February 2018 at MS University Pavilion. It was for the first time that an inter college sports festival was organized. First year students from GMERS Medical College Gotri were invited for the same. Sports Dean of Faculty of Medicine, Dr. Sonia Barve inaugurated this event. Medical Superintendent Dr. R. N. Daveshwar, Student's Dean Dr. N R Pathak, Dr. Chirag Mistry and Dr. Govind Ninama graced their presence to encourage all students.

Dr. Govind Ninama also extended his support by umpiring for the cricket matches. It was a very successful event and students demanded to extend this event next year for all the students. Enthusiasm for Burnout 2.0 in Feb '19 could be seen at the end of the day.

### ❖ Football

Similar to cricket, two teams represented each college. A qualifying match for finals was played between a team of both the colleges. First Qualifying was won by GMERS Gotri while second by Medical College, Baroda. Hence the final was the most enjoying for all the players as well as for the spectators, it was going to decide that who'll earn the prestigious Football trophy. After a nail biting full time of 40 mins, equal scores of 1-1 led to the Penalty Shootout.

Medical College Baroda once again proved their dominance by winning the shootout and earned the Football Trophy. They bagged the Trophy, along with medals & certificates to individual players.
